Judy Moody
AND THE
NOT BUMMER SUMMER

A Totally Thrill-a-delic Activity Kit

1 For Sure and Absolute Positive Postcards

In *Judy Moody and the NOT Bummer Summer*, when Rocky goes to circus camp and Amy up and leaves for Borneo, Judy thinks she is going to be way bored-e-o all summer. But thanks in part to some Bigfoot sightings, Judy's summer turns out to be totally thrill-a-delic after all.

Receiving mail is so not-bummer! Share some fun by making a Judy Moody-inspired postcard for your friends.

You'll need:

- a four-by-six-inch index card
- colored pencils or markers
- a postage stamp

Directions:

Decorate one side of your index card with your favorite Judy Moody words and phrases, and with drawings of Judy Moody characters and of other moodyish things such as toads, ice-cream cones, or Bigfoot.

On the other side, write a note to a friend telling him or her about your thrill-a-delic day. Add a (real) postage stamp and your friend's address, and drop the card in the mail. How *uber-awesome* is that?

You can also make postcards just for fun (not mailable). Use the template on the next page to decorate your postcard. Be sure to design your own stamp!
